Dear Green Brook Resident,

We are writing to ask for your support. As you may know, Jim Van Arsdale (Deputy Mayor) and former Mayor Nancy Stoll, will face competition as they run for election this year. Jim has worked extremely hard over the past three years to keep Green Brook a town where people love to live, work, and raise a family. He would like the opportunity to serve our town for another three years. Nancy was previously Mayor of Green Brook in 2016 and will once again bring her experience and knowledge to Town Hall.

Stable effective government doesn't just happen. It is built through the hard work of dedicated elected officials who are connected to the community. Green Brook remains the fine community it is due to the effective Republican leadership that has governed our Township over the years. **We achieved eight straight years of no tax rate increase in the Township Municipal Budget.** Green Brook is one of the few towns in NJ that can make that claim! We were able to withstand the economic challenges of the pandemic due to the fiscal prudence displayed by the current administration. We want Green Brook to continue to be a community of excellent schools, quality services and lower taxes. **Please don't let national issues be brought to Green Brook where they have no relevance.** Our candidates' platform is summed up below:

- 100% support of Police and First Responders (no defunding)
- Proactive infrastructure projects (recent and ongoing paving)
- Fiscal responsibility (one of the least leveraged (\$) municipalities in the County)
- Parks and Recreation (Arthur Lewis Park is a wonderful addition to our town)

We cannot do it without your support. **Most importantly, please vote for Jim and Nancy.** If you have any questions or would like additional information, please reach out via email to jrva13@gmail.com (Jim) or stoll732@hotmail.com (Nancy). If you would like to make a contribution to help defray the campaign's printing, mailing, and advertising costs, please complete the form below:
